Location Break-Down

Adams Park:

13th Street and 9th Ave North

-we'll be dancing on the lawn West of the Logan Boulet arena

Alley Park (McKillop Park):

2140 9B Ave South

-this one's a bit tricky to find (my kids call it "the hidden park"). You'll find it in the alley between 9th and 10th Ave South just West of Mayor Magrath Drive. You can also get there through a walkway between the houses in the SE corner of 9B Ave S.

Galt Museum:

502 1 Street South

-for dances at the Galt, we'll find a good spot in the coulees or on the pathways directly west of the museum

Henderson Lake:

Mayor Magrath and Parkside Drive South

-there are many possible locations at Henderson, we'll meet at the indicated part of the park and find a good spot at the time.

Legacy Park:

Scenic Drive and Blackwolf Blvd North

-Legacy park also contains many options for interesting shoots, many of our classes will meet at the stage as a starting point, but we'll explore the park to find a variety of spots to dance.

Lions Centennial Playground:

20th Ave South-Greenstrip East of 24th Street S

-Lions playground is just south of the Movie Mill.

Nicholas Sheran Park:

Columbia and McMaster Blvd West

-we'll use the "train playground" as a meeting spot for shoots at Nicholas Sheran.

UofL Breezeway:

4401 University Drive West

-enter the University on Valley Road and head down to the loading dock where we would normally enter for shows at the theatre. Miss Laura will be there to wave you over to the breezeway. Parking should be free as these shoots are in the evening and the University will be closed.

Groups A and B

Three of our classes would put us over the 10-person limit if we were to gather the whole class. So, we've divided them into 2 groups and Mr Mark will use his fancy editing skills to put them together into one dance 😊

GROUP A- Bela, Emi, Kahleah, Hannah B, Hannah F
